STEPS 2 & 3

LOOK UP A VIN AND GENERATE A QUOTE

1 Open VIN Look-up

Select VIN Lookup from the top menu.

2

Enter the VIN and Click Look Up

VIN IQ will search for the vehicle and available recovery data. Data may be limited for models before 1985 and after 2020.

The screenshot shows the RCS VIN IQ web application interface. At the top, there is a navigation bar with a hamburger menu icon and the text "Refined Catalyst Solutions". Below this is a section titled "RCS VIN IQ" with a sub-header "Enter a VIN to see the value of the catalytic converters on that vehicle." and three tabs: "VIN Lookup", "Quote", and "Vehicle Template". The "VIN Lookup" tab is selected. Below the tabs is a form with a "VIN" label and a text input field containing "3C6UR5CJ3FG655138". To the right of the input field are two buttons: "Lookup" and "Clear". Below the form is a section titled "VEHICLE" with the text "2015 Ram 2500 Power Wagon" and "VIN 3C6UR5CJ3FG655138". Below this are four tabs: "PICKUP", "6.4L, V8, 410 HP", "GASOLINE", and "6-SPEED SHIFTABLE AUTOMATIC". Below these tabs is a text box containing "BUILT IN SALTILLO, COAHUILA, MEXICO". To the right of the vehicle information is a section titled "CONVERTER VALUE" with the text "\$298" and "2 CONVERTERS AT \$149 EACH". Below this is a button labeled "Generate Quote".

3

Review the Auto-Populated Vehicle Information

Confirm the vehicle details and recoverable data returned for the VIN.

4

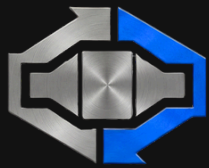

Click Generate Quote

VIN IQ will use your saved Vehicle Template Settings to build the quote.

PRO TIP

VIN IQ automatically applies your saved Vehicle Template settings when generating a vehicle quote.
